

13 Amp Sawzall Orbital Reciprocating Saw

CATALOG (SKU) NUMBER: MI-6520-21

The Milwaukee Sawzall Orbital Reciprocating Saw offers best-in-class performance in the most important respects: speed, durability, power and ergonomics. The variable-speed trigger provides 0-2800 SPM with a 1-1/8 in. stroke length. This reciprocating saw also comes equipped with orbital cutting action, so you can make quick cuts and get through projects more efficiently.
