

18V LXT® Lithium-Ion Cordless 18 Gauge Straight Shear Kit

CATALOG (SKU) NUMBER: MK-XSJ01

Makita-built 4-pole motor delivers 3,000 strokes per minute for faster cutting. Cuts up to 18 gauge mild steel and 20 gauge stainless steel. Compact and ergonomic design at only 13-3/4" long. Weighs only 5.3 lbs. with battery for reduced operator fatigue. Reversible belt clip attaches to either side of the tool. Rubberized soft grip handle provides increased comfort on the job. Swivel shear head rotates 360° for increased cutting options and added convenience. Equipped with Star Protection Computer Controls to protect against overloading, over-discharging, over-heating. Rapid Optimum Charger communicates with the battery's built-in chip during the charging process to optimize battery life by actively controlling current, voltage and temperature. Rapid Optimum Charger has a built-in fan to cool the battery for faster, more efficient charging. Makita technology delivers category-leading charge time, so the battery spends more time working and less time sitting on the charger. Compatible with Makita 18V Lithium-Ion batteries with a Star symbol. 3-year limited warranty on tool, battery and charger. Only use genuine Makita batteries and chargers.
