1-3/4" Roofing Coil Nailer

CATALOG (SKU) NUMBER: MK-AN453

Aluminum housing for longer tool life. "Tool-less" depth adjustment engineered for more precise control and flush nailing. "Tool-less" shingle guide designed for easy adjustments and consistent shingle placement. Built-in magnet ensures last nail is driven. Large carbide inserts on nose piece for long lasting performance. Rubberized handle for better fit and added comfort. Easy loading adjustable canister system allows for faster, more precise loading. Oversized steel wear plates reduce abrasion on tool. Nose assembly can be easily removed for cleaning or maintenance. Only 5.2 lbs. for less weight and more power. Adjustable tool hook allows tool to remain close by but never in the way. Minimum recommended air delivery of 2.8 SCFM @ 90PSI. 3-year limited warranty.
