18V LXT® Lithium-Ion Brushless Cordless 3-Speed Impact Driver, Tool Only

CATALOG (SKU) NUMBER: MK-XDT01Z

Efficient BL Brushless motor is electronically controlled to optimize battery energy use for up to 50% longer run time per charge. BL Brushless Motor delivers 1,460 in.lbs. of Max Torque. Compact and ergonomic design at only 5-1/2" long. Weighs only 2.8 lbs. with battery (battery not included) for reduced operator fatigue. 3-speed power selection switch (0-1,300 / 0-2,000 / 0-2,600 RPM & 0-1,300 / 0-2,800 / 0-3,400 IPM) provides precise fastening control for a wide range of applications. The BL Brushless Motor eliminates carbon brushes, enabling the BL Motor to run cooler and more efficiently for longer life. The electronically-controlled BL Brushless Motor efficiently uses energy to match torque and RPM to the changing demands of the application. Battery warning light and built-in L.E.D. light both flash when it is time to recharge the battery (battery and charger sold separately). Convenient one-touch 1/4" hex chuck for quick bit changes. Built-in L.E.D. light with an independent on/off switch illuminates the work area. Rubberized soft grip provides increased comfort on the job. Makita's proprietary hammer and anvil impact mechanism are manufactured using the best raw materials with the highest quality steel and unique heat hardening process for maximum fastening and driving power. Rapid Optimum Charger communicates with the battery's built-in chip throughout the charging process to optimize battery life by actively controlling current, voltage and temperature (battery and charger sold separately). Rapid Optimum Charger has a built-in fan to cool the battery for faster, more efficient charging (battery and charger sold separately). Makita technology delivers category-leading charge time so the battery spends more time working and less time sitting on the charger (battery and charger sold separately). Compatible with Makita 18V Lithium-Ion batteries with a Star symbol (battery sold separately). 3-year limited warranty. Only use genuine Makita batteries and chargers.
