PACIFIC Industrial Supply

18V LXT® Lithium-Ion Brushless Cordless 6-1/2" Circular Saw, Tool Only

CATALOG (SKU) NUMBER: MK-XSH03Z

BL Motor delivers 5,000 RPM for faster cutting and ripping. Automatic Speed Change technology adjusts cutting speed and torque during cut for optimum performance. The BL Brushless Motor eliminates carbon brushes, enabling the BL Motor to run cooler and more efficiently for longer life. Efficient BL Brushless motor is electronically controlled to optimize battery energy use for up to 50% longer run time per charge. The electronically-controlled BL Brushless Motor efficiently uses energy to match torque and RPM to the changing demands of the application. Die-cast magnesium base, blade guard and safety cover provide a lightweight, durable design. Compact and ergonomic design at only 13-3/4" long. Weighs only 7.3 lbs. with battery (battery not included) for reduced operator fatigue. Large cutting capacity (2-1/4” at 90°) and bevel capacity (0°- 50°). Positive stop at 45° with fine adjustment. 3-stage L.E.D. gauge indicates battery charge level. Electric brake for maximum productivity. Dual L.E.D. lights illuminate the work area. Built-in dust blower keeps the line of cut free of debris for more accurate cuts. Retractable tool hook secures the tool when not in use. Rubberized soft grip handle provides increased comfort on the job. Extreme Protection Technology (XPT) is engineered for improved dust and water resistance for operation in harsh conditions. Equipped with Star Protection Computer Controls to protect against overloading, over-discharging and over-heating. Rapid Optimum Charger communicates with the battery's built-in chip throughout the charging process to optimize battery life by actively controlling current, voltage and temperature (battery and charger sold separately). Rapid Optimum Charger has a built-in fan to cool the battery for faster, more efficient charging (battery and charger sold separately). Makita technology delivers category-leading charge time so the battery spends more time working and less time sitting on the charger (battery and charger sold separately). Compatible with Makita 18V Lithium-Ion batteries with a Star symbol (battery sold separately). 3-year limited warranty. Battery and charger sold separately. Only use genuine Makita batteries and chargers.
