18V LXT® Lithium-Ion Cordless 13" Job Site Fan, Tool Only

CATALOG (SKU) NUMBER: MK-DCF300Z

Designed to withstand harsh job site environments. Designed for reduced wind noise level for quiet operation. Three speed settings (High/Medium/Low) and Oscillation selector for optimal air velocity and control. 3-stage automatic timer with 1, 2, and 4 hour power-off selection. Removable front guard for convenient clean up. Tilts up and down for convenient redirection of air flow. Large carrying handle for easy handling and transporting to job site. Up to 5.7 hours of continuous run time in Low speed with a 5.0Ah LXT® battery (battery not included). Up to 4 hours of continuous run time in Low speed with a 4.0Ah LXT® battery (battery not included). Includes AC adapter for corded operation. Rapid Optimum Charger communicates with the battery's built-in chip throughout the charging process to optimize battery life by actively controlling current, voltage and temperature (battery and charger sold separately). Rapid Optimum Charger has a built-in fan to cool the battery for faster, more efficient charging (battery and charger sold separately). Makita technology delivers category-leading charge time so the battery spends more time working and less time sitting on the charger (battery and charger sold separately). Battery and charger sold separately. 3-year limited warranty. Only use genuine Makita batteries and chargers. *in Low speed using a BL1850 battery.
