18V LXT® Lithium-Ion Cordless 18 Gauge Straight Shear, Tool Only

CATALOG (SKU) NUMBER: MK-XSJ01Z

Makita-built 4-pole motor delivers 3,000 strokes per minute for faster cutting. Cuts up to 18 gauge mild steel and 20 gauge stainless steel. Compact and ergonomic design at only 13-3/4" long. Weighs only 5.3 lbs. with battery (battery not included) for reduced operator fatigue. Reversible belt clip attaches to either side of the tool. Rubberized soft grip handle provides increased comfort on the job. Swivel shear head rotates 360° for increased cutting options and added convenience. Equipped with Star Protection Computer Controls to protect against overloading, over-discharging, over-heating. Rapid Optimum Charger communicates with the battery's built-in chip throughout the charging process to optimize battery life by actively controlling current, voltage and temperature (battery and charger sold separately). Rapid Optimum Charger has a built-in fan to cool the battery for faster, more efficient charging (battery and charger sold separately). Makita technology delivers category-leading charge time, so the battery spends more time working and less time sitting on the charger (battery and charger sold separately). Compatible with Makita 18V Lithium-Ion batteries with a Star symbol (battery sold separately). 3-year limited warranty. Only use genuine Makita batteries and chargers.
