18V LXT® Lithium-Ion Cordless 5" Random Orbit Sander Kit

CATALOG (SKU) NUMBER: MK-XOB01

Three speed settings (7,000/9,500/11,000 OPM) engineered for faster material removal. Up to 40 minutes (low speed) and 20 minutes (high speed) of run time on a single charge. Large 1/8" random orbit action engineered for fast sanding and swirl-free finish. One-touch electronic speed control switch provides fast, medium and low settings. Ergonomically designed body and grip for increased operator comfort. Pad brake engineered for reduced free-spin and improved overall finish. Pad control system for controlled pad speed upon start-up. Efficient through-the-pad dust collection system for a cleaner work environment. Dust-sealed switch and bearing for longer tool life. Uses quick-change 5" (8-hole) hook-and-loop abrasive paper. Oversized sealed-ball bearing construction for longer tool life. Equipped with Star Protection Computer Controls to protect against overloading, over-discharging and over-heating. Rapid Optimum Charger communicates with the battery's built-in chip throughout the charging process to optimize battery life by actively controlling current, voltage and temperature. Rapid Optimum Charger has a built-in fan to cool the battery for faster, more efficient charging. Makita technology delivers category-leading charge time, so the battery spends more time working and less time sitting on the charger. Compatible with Makita 18V Lithium-Ion batteries with a Star symbol. 3-year limited warranty on tool, battery and charger. Only use genuine Makita batteries and chargers.
