PACIFIC Industrial Supply

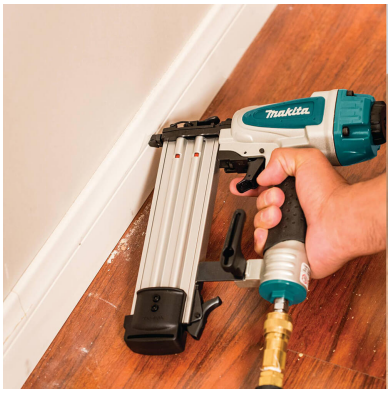

2" Brad Nailer, 18 Ga.

CATALOG (SKU) NUMBER: MK-AF505N

"Tool-less" quick-release cam-lock opens nail guide assembly to easily clear jammed nails; efficient design minimizes downtime. Easy to use "tool-less" depth adjustment dial for a wide variety of finish applications. Narrow nose design allows easy nailing access in confined areas. Non-marring rubber nose and bumpers protect the wood's surface from being scratched or damaged. Tool hook can be rotated 180° so tool can remain close by, but never in the way. Cast and machined nose piece for precise contact. Dual nail reload indicator window alerts the user when to reload nails to avoid blank drives. Multi-directional exhaust port rotates 360° to direct exhaust air away from user. Rubberized soft grip provides more comfort. Drives a range of 18 gauge brad nails, from 5/8" to 2", into hard or soft wood applications; magazine capacity is up to 100 nails. Ideal for trim work, baseboard and crown molding installation, flooring and other woodworking applications. Minimum recommended air delivery of 1.5 SCFM @ 90PSI. 3-year limited warranty.
