20-Volt Max Lithium-Ion 4-1/2 in. Cordless Grinder (Tool-Only)

CATALOG (SKU) NUMBER: DW-DCG412B

The Dewalt 20-Volt Max Lithium-Ion Cut Off Tool (model DCG412B, tool only) is ideal for a wide range of construction, maintenance, repair and automotive applications. This versatile tool is designed for electricians, mechanical contractors, ironworkers and automotive mechanics tasked with cutting, grinding and finishing metallic materials. It delivers 6500 RPM for fast cutting and grinding applications and features a quick-change wheel release that enables wrench-free wheel changes. Additionally, the product offers a tool-free adjustable guard that allows you to reposition the guard quickly and safely without the need for a tool or key. A 2-position side handle offers increased control and comfort.
