4,000 RPM Drywall Screwdriver

CATALOG (SKU) NUMBER: MK-FS4200

Precision Balance With Less Weight. Powerful 6.0 AMP motor with 0-4,000 RPM to handle the most challenging applications. Less weight (only 3.0 lbs.) with precision balance for ultimate user comfort. Built-in L.E.D. light illuminates the work area for greater productivity in low-light applications. Steel-reinforced belt clip for user convenience and increased durability. Directional air-flow vents channel the tool's air output away from the user's face. Nose cone holder positioned below pistol grip for convenient storage during framing applications. Ergonomically designed rubberized "pistol grip" for increased comfort. Cast aluminum gear housing for less weight and increased durability. Convenient bit storage on base of grip reduces downtime. Large trigger with lock-on button located mid-handle for operator convenience. Adjustable depth locator assembly with Sure-Lock feature for consistent screw depth. Variable speed of 0-4,000 RPM with increased torque for hanging and framing applications.
