Corrosion Ex - Anti-Seize Compound

CATALOG (SKU) NUMBER: CX

CorrosionX is the most advanced and effective corrosion prevention compound, lubricant and penetrant in the world! Although it may look like a typical oil-based anti corrosion spray, CorrosionX utilizes a revolutionary technology called Polar Bonding that does far more than merely slow down the corrosion process like those so-called 'corrosion inhibitors'. Corrosion-X actually kills existing rust and corrosion (keeping it from spreading) and provides long-term protection against rust and corrosion on any metal surface.

- Kills Rust and Corrosion
- Safe on Electronics
- Worlds Greatest Lubricant, Penetrant and Anti-Seize.
