DAX Fiber Resin Polymer (FRP) | Full Brim | Hard Hat

CATALOG (SKU) NUMBER: LIFT-HDF

FEATURES

- Durable Shell – Fiber-reinforced resin construction for strong impact protection.
- Advanced Impact Protection – Six-point suspension system helps absorb and distribute impact energy.
- Enhanced Comfort Padding – Perforated Clarino® comfort dome with EVA foam insert adds cushioning and top-of-head protection.
- Secure Fit System – LUX Suspension System with an easy-adjust ratcheting dial for a stable, comfortable fit—even with gloves on.
- Improved Grip – Built-in brim grip makes handling and adjustment easier.
- Moisture-Wicking Brow Pad – Durable synthetic leather brow pad absorbs sweat better than standard materials.
- Heat Resistant – Tested to withstand radiant heat up to 350°F (177°C) for demanding jobsite conditions.
