Framing Hammer

CATALOG (SKU) NUMBER: VB-FH

Framing hammers, used for framing wooden houses, are heavy duty rip hammers with a straight claw. The hammer heads typically weigh from 20 to 32 ounces (567 to 907 grams) for steel heads, and 12 to 16 ounces (340 to 454 grams) for titanium heads. Heavy heads, longer handles and milled faces allow for driving large nails quickly into dimensional lumber.

VB-62242	62242	15	Handle 20 to 24oz Ball Pein
VB-707M	707M	32	An extra-heavy framer designed to provide excellent overall balance. Top quality white hickory handle is triple-wedged. Milled face. Rust-resistant powder coat finish. MADE IN USA.
VB-999L	999L	20	Available in two lengths, with either smooth or milled face, its superb balance and comfortable grip make this hammer a favorite of tradesmen. Top quality, white hickory handle is triple wedged. Rust-resistant powder coat finish. MADE IN USA.
VB-BL16	BL16	16	Bricklayer's Hammer - Square, flat face with beveled edges. Available with select hickory handle, double wedged and epoxy sealed; Steel Eagle® solid steel handle with Shock-Blok® plug in head, or fiberglass handle with shock absorbing, hollow core and cushion grip. Rust-resistant powder coat finish. MADE IN USA.
VB-CF1	CF1	23	The Vaughan California Framer combines features of two of our most popular tools into a rugged, heavy construction hammer. The smoothly swept claws were borrowed from our 999 Rip Hammer, and the extra large striking face, hatchet eye and sturdy handle are a heritage of our Rigbuilder's Hatchet. The hatchet-style handle is best grade, second growth hickory. To provide extra strength, the handle has a large cross section where it joins the fully polished head. Rust-resistant powder coat finish on head. MADE IN USA.
VB-CF2	CF1	19	
VB-DD16	DD16	16 Oz	Double Duty Nail Hammer - Forge finish with rust resistant black paint, polished face and bevel. Lacquered hickory handle. Triple wedged assembly to ensure handle tightness. MADE IN USA.
VB-FS505M	FS505M	24	Hollow-core fiberglass handle provides better balance and more effective shock absorption than typical solid fiberglass handles. Head Sure-Lock® wedged and epoxy sealed. Slip resistant grip, contoured for comfort. Rust-resistant powder coat finish. MADE IN USA.
