Personal Flotation Device (Life Vest)

CATALOG (SKU) NUMBER: FS-PFD

Navigate to safety in comfort with the US Coast Guard-approved Stearns® Deck Hand Life Vest. While wearing this PFD, you will discover the comfort of lightweight Crosstech® Flotation Foam encased in a durable nylon oxford outershell, and the breathability of an inner mesh liner that wicks moisture away from the skin. Featuring 3M Scotchlite SOLAS-grade reflective strips that increase visibility, a heavy-duty encircling belt with added side adjustments and a stay-up, rustproof Vision® zipper, this vest will stay securely on, even in the event of submersion. With the Stearns® Deck Hand Life Vest, you get unmatched protection for a long day on deck.

Stearns® Work Zone Gear Vests are essential gear for the crew looking for comfortable, high-visibility protection on the water. The reason: they're built for long, tough work. The lightweight, Crosstech® flotation foam and polyester outer shell are durable. A couple adjustable encircling body straps and zippered front offer a customized fit. Large arm holes and low necklines make for easy movement, and two pockets with hook-and-loop tape closures keep tools close.
