Polyester Roundslings

CATALOG (SKU) NUMBER: OS-OL

- Polyester roundslings offer excellent resistance against UV rays, rot, and mildew.
- They are lightweight, easy to handle and store, and only have a 3% elongation
- Solid tube construction non-sewn edge on cover.
- Consits of an endless loop of 100% polyester fiber.
- Very pliable compared to wire rope or chain rigging, even contours itself around the load being picked.
- All slings confrom to standards/ specifications ASME B30.9 and WSTDA.
- Made in the U.S.A.
- Avialable as return eye style upon request.
- Other color/ weight options available upon request.
- Custom lengths up to 60ft available upon request.
