Push Button Signal Horn

CATALOG (SKU) NUMBER: AH-00

For fog, rescue or any emergency signaling, the Falcon Push-Button Signal Horn has it all! Audible for 1 mile. The first choice for serious boaters, it shouts out with a blast louder than any other push-button horn available. 100% ozone-safe-non flammable. Removable horn for easy storage. Meets U.S. Coast Guard recommendations for boats up to 65 (20 meters). Refills readily available.
